Dolphin's 45th Anniversary June 21st - 23rd 2013

To celebrate 45 years of dancing the Morris, not to mention the fact that we still enjoy it, Dolphin will be hosting a meeting of Morris sides from all across the country in June 2013.

It's a long way off, but well worth waiting for. Watch the web site nearer the time for details or follow us on twitter or facebook.

Why Morris Dancing?

Morris Dancing has been a feature of English life for several hundred years but no one knows for certain how it originated. Some say it has its roots in pagan fertility rites, as a device to chase away the dark spirits of winter and celebrate the re-birth of life in the spring. Others believe that the dances are from overseas and that 'Morris' is a corruption of the word 'Moorish'. Most of us simply dance because we enjoy it.
