

# Dolphin is a men's Cotswold Morris side

Whilst we encourage all forms of the Morris, Dolphin is a single-sex (male) dancing side. Women musicians are of course very welcome.

We dance a number of traditions (including Adderbury, Fieldtown, Headington Quarry, Bledington, Bampton, Ilmington and Lichfield) and have members who hail from Nottinghamshire, Derbyshire, Leicestershire and Lincolnshire.

From September to April we practise at Kingston-on-Soar Village Hall (near J24 of the M1) and recover from the ordeal with a pint and (usually) a few tunes and songs in a local pub.

In January we sometimes perform a Plough Play and throughout May, June and July we dance out at pubs and events around the Nottinghamshire, Leicestershire and Derbyshire borders, after which we like to get a good song and music session going.

**New members (dancers or musicians) are always welcome.**
